

## Luke Johnson

### DIRECTOR

Luke has been with Tactician for two years and now leads the team in his unique, relaxed, and pragmatic way.

With over 20 years in the industry, Luke is an experienced HR/L&D professional with a passion and interest for ongoing learning that has taken him all around the globe.

Luke's leadership development experience is extensive, having worked with some of the world's leading brands including Bunnings, ING and Apple. He specialises in leadership coaching, organisational design, learning and development, and cultural change initiatives.

Luke is a big picture kind of guy and loves a combination of the high-level strategic planning and thinking, right through to digging deep to understand what makes people tick.

Having grown up on the mid-north coast, Luke aims to one day master the element of work life balance. He describes himself as energetic, creative, hands-on, and strongly believes that an active mind is best supported by an active body, and good coffee.
