

Jenny Lord

TACTICIAN

Jenny is a highly motivated, accredited, and experienced Strategic HR and Learning & Development professional who brings energy, honesty and enthusiasm when coaching and developing people to achieve success.

Jenny is passionate about enhancing everyday interactions in the workplace and developing team culture, particularly during times of change. Working with audiences of all sizes and demographics in both the UK and in Queensland has given Jenny practical experience and demonstrated success in helping leaders, teams and individuals to be more confident, influential and effective communicators, to achieve results that truly make a difference.

Areas of expertise include:

- Workshop facilitation
- Individual and small group coaching
- HR support

Jen loves facilitating our Gutsy suite of programs, and the participants love her!
